52. In consultation with the Mediation Team, and later the Fee Examiner, Phoenix established project task code categories (each, a “Task Code”) for keeping time records of the work performed for the Mediation Team. The following is a summary, by Task Code, of the professional services provided by Phoenix during the Twelfth Interim Period.

***Fee Applications (3.8 hours)***

Time in this Task Code primarily includes work preparing and reviewing the monthly fee statements for February 1, 2021 through May 30, 2021, work preparing the Eleventh Interim Fee Application, and communication regarding status and timing of payment.

***Communication – Mediation Team (21.4 hours)***

Time in this Task Code primarily includes meetings, discussions, and conference calls with members of the Mediation Team regarding a wide variety of mediation-related matters.

***Communication – Parties in Interest (21.2 hours)***

Time in this Task Code primarily includes meetings and phone calls with representatives, financial advisors and counsel to parties involved in the mediation process. These communications provided Phoenix (and, in turn, the Mediation Team) with valuable background information, an understanding of the circumstances and positions of the various parties, and the evolution of their respective views of the fiscal plans and potential debt restructuring alternatives. As part of these communications, Phoenix assisted with

the information flow amongst the parties and the Mediation Team.

***Communication – Phoenix Team (14.0 hours)***

Time in this Task Code primarily includes work by Phoenix professionals organizing and coordinating our efforts, providing updates on individual conversations and activities, developing and refining our work streams, and developing strategies regarding sequencing of work and communications with parties of interest.

***Deliverables for Mediation Team (6.9 hours)***

Time in this Task Code primarily includes work drafting and editing memoranda and reports for the Mediation Team members

***Mediation Sessions – Prep/Attend/Follow up (81.5 hours)***

Time in this Task Code primarily includes time spent preparing for mediation sessions with parties in interest, participating in mediation sessions with parties in interest, reviewing and consolidating questions posed by the parties, assisting the financial advisors in preparing for various mediation sessions, leading and attending mediation sessions, and coordinating answers and follow-up to questions and information requests from parties.

***Meetings & Interviews/Info Gathering – Mediation Team (5.8 hours)***

Time in this Task Code primarily includes discussions with Mediation Team members.

***Meetings & Interviews/Info Gathering – Parties in Interest (4.8 hours)***

Time in this Task Code primarily includes meetings and phone calls with representatives, financial advisors and counsel to parties involved in the mediation process. These meetings, like the communications with parties referenced above, provided Phoenix (and, in turn, the Mediation Team) with valuable information, as well as an understanding of the circumstances and positions of the various parties

***Review/Analysis of Documents and Info (81.8 hours)***

Time in this Task Code primarily includes reviewing and analyzing information provided by parties in

interest or otherwise obtained by Phoenix regarding fiscal plans, potential debt restructurings, and other documents and analysis regarding macroeconomic factors and other mediation issues.

### **Compensation Requested**

53. The services for which Phoenix seeks compensation in this Twelfth Application were, at the time provided, necessary for and beneficial to the Mediation Team. Phoenix performed these services economically, effectively, and efficiently, and they benefited the Mediation Team. Phoenix submits that the compensation requested is reasonable in light of the nature, extent, and value of such services to the Mediation Team. Accordingly, Phoenix submits the compensation sought in this Twelfth Application is warranted and should be approved.

#### **(A) Compensation Under Sections 316 and 317 of PROMESA**

54. Section 317 of PROMESA authorizes interim compensation of professionals and incorporates the substantive standards of section 316 of PROMESA to govern the Court's award of interim compensation. Section 316 of PROMESA provides that a court may award a professional employed under section 1103 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered," and "reimbursement for actual, necessary expenses." 48 U.S.C. § 2176(a)(1), (2). Section 316(c) sets forth the criteria for such an award:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including—

- (1) the time spent on such services;
- (2) the rates charged for such services;
- (3) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter;
- (4) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

(5)with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the restructuring field; and

(6)whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this subchapter or Title 11.

48 U.S.C. § 2176(c).

55. As analyzed below, Phoenix submits the elements governing awards of compensation under PROMESA justify the allowance requested.

**1. The Time and Labor Required**

56. During the Twelfth Interim Period, Phoenix professionals and staff spent 241.2 hours providing professional services to the Mediation Team for which Phoenix seeks compensation on an hourly basis. Phoenix coordinated its efforts to prevent duplication of efforts and thereby not spend more time than required. Phoenix required this amount of time to advise the Mediation Team with respect to Fiscal Plan and mediation-related issues.

**2. The Rates Charged for Such Services**

57. During the Twelfth Interim Period, Phoenix's hourly billing rates (as adjusted on February 1, 2021) ranged from \$168.00 to \$715.00. Based on the recorded hours expended by Phoenix's professionals and staff, the average hourly billing rate for Phoenix's services was \$601.78.

58. Phoenix's hourly rates are set at a level designed to compensate Phoenix fairly for the work of its professionals and staff and to cover certain fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

59. The hourly rates and corresponding rate structure that Phoenix charges in these cases are equivalent to the hourly rates and corresponding rate structure that Phoenix charges for

similar matters, whether in court or otherwise, regardless of whether a fee application is required.

60. In accordance with the *Order Imposing Additional Presumptive Standards: Rate Increases and the Retention of Expert Witnesses or other Sub-Retained Professionals* [ECF No. 7678], on November 22, 2019, Phoenix filed proposed billing rate increases effective January 6, 2020 as per the table below and with the required written approval from the Mediation Team Leader, Judge Barbara J. Houser. No response was filed by any party to the proposed rate increases, and Phoenix therefore implemented the rate increases effective January 6, 2020.

In accordance with the *Order Imposing Additional Presumptive Standards: Rate Increases and the Retention of Expert Witnesses or other Sub-Retained Professionals* [ECF No. 7678], on January 11, 2021, Phoenix filed a second proposed billing rate increase effective February 1, 2021 as per the table below and with the required written approval from the Mediation Team Leader, Judge Barbara J. Houser. No response was filed by any party to the proposed rate increases, and Phoenix therefore implemented the rate increases effective February 1, 2021.

**3. The Necessity of the Services and the Benefit to the Debtors**

62. As described herein, the services rendered by Phoenix were necessary to assist the Mediation Team in its efforts to facilitate negotiated settlements in the Title III Cases and related proceedings. All of those services directly benefitted the Mediation Team.

**4. The Reasonableness of the Time Spent, Based on the Complexity, Importance, Nature of the Issues**

63. Phoenix was required to absorb a significant amount of information in an extremely short period of time in order to prepare for mediation sessions and meetings. Phoenix devoted the appropriate number and level of resources to accomplish the tasks requested by the Mediation Team in the requested timeframe. The compensation requested is reasonable in light of the requested tasks and the services rendered.

**5. The Experience, Reputation, and Ability of the Professionals Providing Services**

64. Phoenix professionals have achieved a high degree of expertise and strong reputations in their fields. Phoenix's professionals have extensive experience, knowledge and resources in the areas of municipal restructurings, financial forecasting, operational and financial

turnarounds, and negotiations in complex situations with numerous constituents.

**6. Customary Compensation**

65. The work for which Phoenix seeks compensation in this Twelfth Application is of the type and nature for which Phoenix customarily would seek compensation at the rates identified in this Twelfth Application. In addition, the compensation Phoenix seeks in this Twelfth Application is comparable to the compensation it would have sought for comparable work outside of a chapter 11 case.

66. Phoenix submits that the compensation requested is reasonable under all the factors considered under sections 316 and 317 of PROMESA and that the factors justify the allowance in full of Phoenix's compensation and reimbursement request.

67. In view of the foregoing, Phoenix respectfully requests that it be allowed interim compensation in the amount of \$145,148.35 for services rendered during the Twelfth Interim Period.

**Statement By Phoenix Under ¶ C(5) of the UST Guidelines**

68. This engagement does not involve variations from Phoenix's standard and customary billing rates.

69. None of the professionals included in this Twelfth Application varied their hourly rate based on the geographic location of the Title III Cases.

70. The Twelfth Application includes limited time (3.8 hours) and fees (\$638.40) related to reviewing or revising time records or preparing, reviewing, or revising invoices.

71. The hourly rates specified in the Phoenix Retention Application were effective January 1, 2017. The Phoenix Retention Application provides that Phoenix's scheduled hourly rates are periodically adjusted, generally at the beginning of a calendar year.

72. In accordance with the *Order Imposing Additional Presumptive Standards: Rate Increases and the Retention of Expert Witnesses or other Sub-Retained Professionals* [ECF No. 7678],

on November 22, 2019, Phoenix filed proposed billing rate increases effective January 6, 2020 and February 1, 2021, to which no party filed an objection.

**RESERVATION OF RIGHTS AND NOTICE**

73. It is possible that some professional time expended or expenses incurred during the Twelfth Interim Period are not reflected in the Twelfth Application. Phoenix reserves the right to include such amounts in future fee applications.

74. Consistent with the Second Amended Interim Compensation Order, notice of this Twelfth Application will be provided to: (a) the U.S. Trustee; (b) counsel to the Oversight Board; (c) counsel to the Puerto Rico Fiscal Agency and Financial Advisory Authority; (d) the Fee Examiner; and (e) all parties that have filed a notice of appearance with the Clerk of this Court, pursuant to Bankruptcy Rule 2002 and applicable provisions of the Local Rules, and requested such notice. A copy of this Twelfth Application, along with relevant supporting data, has also been provided to counsel to the Fee Examiner.

**No Prior Request**

75. No prior application for the relief requested by this Twelfth Application has been made to this or any other court.

76. WHEREFORE, Phoenix respectfully requests that the Court enter an order: (a) awarding Phoenix compensation for professional services provided during the Twelfth Interim Period in the amount of \$145,148.35; and (b) granting such other relief as is appropriate under the circumstances.
